THE NEWSLETTER WILL NOW BE ON-LINE & EMAILED TO YOU ONCE WE HAVE YOUR EMAILS !!!!!!!!

Oct. Nov. & Dec. MEETINGS

OCTOBER

The October meeting was in Hyde Park, at the VFW.

The meeting began at 7:25 with 13 people present, 8 reg., and 5 board.

The pledge of allegiance was said, and sec. and treas. reports were read and accepted.

OLD BUSINESS

New membership cards have been shipped and so are on the way, and we have business cards to hand out, which have our dates of the Toy Run and Harley Raffle printed on them. They also have our web site printed on them.

We have priced out dress shirts for our org. and are currently comparing prices for the best deal. These shirts are a button down, long sleeve dress style. They will be in black, with our logo embroidered on them. They will be available to any member, but we each have to buy them ourselves. They are to wear to functions, such as our raffle, or worst case, funerals.

We purchased new pins,

and they should be in by the next meeting.

NEW BUSINESS

Harley Raffle

The bike is here, and is at Donny's house. It is a sharp looking bike, with a lot of chrome. (Coot thinks it's his already!) It is fully paid for, so it's ours! The tickets are selling so fast, you wouldn't think we were in a bad economy!

Patty made a motion to donate 10 turkeys to WLVB and 10 to WMOO to their feed the hungry campaigns, and Richard seconded it. It passed easily.

NOTICE is being put out that in February we have our elections for all UMV offices. Anyone seeking a position on the board should notify UMV that you are looking to serve. Only members in good standing may hold any elected office. There will be several vacancies to fill.

The meeting ended at 8:25

NOVEMBER MEETING

The November meeting was held at the Orleans Legion. It began at 7:15 with 12 members present. 8

reg. and 4 board. The pledge was recited, and sec. and treas. reports were read and accepted.

OLD BUSINESS

The membership cards are here, and Patty has them. We will start handing them out tonight, and we will send the rest out with the newsletters. Donny took care of getting the turkeys to WLVB, but when we were going to WMOO, we found out they had already done theirs, so we donated them to the Hayes Ford food drive, I hope they appreciated them. We got the latest prices on the dress shirts, and they are as such. Dickies—\$30.00 or Carharts for \$50.00 each. We went with Dickies. We will order the shirts to see how they look and feel, and then open them up to all that want them.

Our pins will cost us 2.75 each, but they look really good.

Mike got approval for the State House for our toy run!

NEW BUSINESS

Harley Raffle

Phil will order the rocker motorcycle for the small raffle, like the one we had last year.

UMV

IS A NON-PROFIT
ORGANIZATION
THAT IS DEDICATED
TO MOTORCYCLE
AWARENESS,
SAFETY,
EDUCATION, PRO
MOTORCYCLE
LEGISLATION &
INDIVIDUAL
FREEDOM. WE
GAVE OUT 4
\$500.00
SCHOLARSHIPS TO
AREA SCHOOLS. WE
ARE THE
MOTORCYCLE
SPONSOR OF THE
SHRINERS TOY
RUN.
COME AND BE PART

Meeting adjourned at 8:40.

DECEMBER MEETING

The meeting was held in Hyde Park, at the VFW.

It began at 7:15 with 13 people present. 9 reg., and 4 board

The pledge was recited, and sec. and treas. reports were read and accepted.

OLD BUSINESS

Dress shirts: A local lady in Hyde Park is doing our embroidering, and she is doing test shirts for us now. She is really trying to make them look right. When she has the embroidery how she wants it, she will digitize it so we can have it on any item we want it on.

SCOLARSHIPS

Marge is sending the info out to the schools, so they can get on them, and get them back to us. The earlier the better!

HARLEY RAFFLE

Phil got the rocker bike for the little raffle, and it is at his place. He thinks it looks better than last years. Everything is coming along great on the raffle and all the tickets are gone! Someone is going home with a new Harley on Jan 14!

TOY RUN

Mike will send letters to all the Police depts. That does traffic for our toy run. Some of them requested a written letter asking them to do traffic control for us, with a date and time. This is no problem as we appreciate the job they do for us.

Elections are in February 2012, so if you want a position contact UMV and get your name on the ballot. Only members in good standing can hold an office the meeting adjourned at 8:05. The next meeting will be in Orleans at the Legion, on

January 4, 2012, at 7:00 pm.

Because I'm a Man
Because I'm a man,
when I lock my keys in
the car, I will fiddle with a
coat hanger long after
hypothermia has set in.
Calling AAA is not an
option. I will win.

Because I'm a man,
there is no need to ask
me what I'm thinking
about. The true answer
is always either sex,
cars, sex, sports or sex. I
have to make up
something else when
you ask, so don't ask.

Because I'm a man,
when the car isn't
running very well, I will
pop the hood and stare
at the engine as if I know
what I'm looking at. If
another man shows up,
one of us will say to the
other, "I used to be able
to fix these things, but
now with all these
computers and
everything, I wouldn't
know where to start." We
will then drink a couple
of beers, as a form of
holy communion.

Q: Should I reduce my alcohol intake?

A: No, not at all. Wine is made from fruit. Brandy is distilled wine, that means they take the water out of the fruity bit so you get even more of the goodness that way. Beer is also made out of grain. Bottoms up!

Q: How can I calculate my body/fat ratio?

A: Well, if you have a body and you have fat, your ratio is one to one. If you have two bodies, your ratio is two to one, etc.

Q: Aren't fried foods bad for you?

A: You're not listening....Foods are fried these days in vegetable oil. In fact, they're permeated in it. How could getting more vegetables be bad for you?

Q: Will sit-ups help prevent me from getting a little soft around the middle?

A: Definitely not! When you exercise a muscle, it gets bigger. You should only be doing sit-ups if you want a bigger stomach.

Q: Should I cut down on meat and eat more fruits and vegetables?

A: You must grasp logistical efficiencies. What does a cow eat? Hay and corn. And what are these? Vegetables. So a steak is nothing more than an efficient mechanism of delivering vegetables to your system.
